

# The smoothest summer ever!

SMOOTH, RADIANT, READY TO GO SKIN WITH 3D TRILOGYICE

Hair removal methods such as shaving and waxing can be time-consuming, messy and short-lived; you may also experience painful ingrown hairs or bumps.

3D Trilogyce hair removal offers a long-lasting solution for unwanted hair anywhere on your face or body. It is suitable for most skin types and is virtually pain-free – unlike other laser hair removal systems.

The treatment is comfortable and effective – and combining the proven benefits of three wavelengths and speed of delivery, we offer one of the safest and most comprehensive hair removal solutions available.

#### WHY CHOOSE 3D TRILOGYICE?

- Unprecedented client satisfaction
- Precision application
- Fast results
- Comfort cooling
- Suitable for most skin types
- Silky, smooth skin
- Virtually painless
